Sittin' in a taxi backseat  
Waitin' on the light to turn green  
Got a letter in my wallet  
With an Elvis stamp on it  
Talkin' 'bout your life down on Beale Street

Livin' in an Amtrak flashback  
Everything you had in a sky blue backpack  
And the last look you gave me  
How I swore it wouldn't phase me  
But it's damn sure gettin' to me now  
Girl, you ought to see me now

I'm runnin' through the station  
Runnin' out of time  
Gonna catch up with you  
On this westbound line  
It's a one way track,  
There ain't no going back if I miss this  
Last train to Memphis

I know it may be crazy  
But I've just got to see this thing through  
There's an eighties song playin'  
On an A.M station  
Sayin, "Boy, she's waitin' there for you"  
God, I hope it's true

I'm runnin' through the station  
Runnin' out of time  
Gonna catch up with you  
On this westbound line  
It's a one way track,  
There ain't no going back if I miss this  
Last train to Memphis

There ain't no turnin' back  
No, I can't get you back if I miss this  
Ooh, if I miss this  
So I'm the last train to Memphis

I'm on the last train to Memphis

I can see the tracks, baby  
I can almost hear you say  
How much you miss me, girl

I can see your pretty smile  
I can almost hear you say  
How much you want to kiss me, girl

I'm on the last train to Memphis  
Yeah, I'm on the last train to Memphis
