Iâ€™m holding on to the moment  
I let go of you  
Tainted by your kiss that stains my precious lips  
As sadness shades a portrait of your sins  
I did it once and never again  
Take what you need  
Thereâ€™s not much left of me

All I can see is the pain that lies for us ahead  
We said we would never let it come to this  
We donâ€™t know  
We donâ€™t know us anymore  
We donâ€™t know  
We donâ€™t know us anymore

I know we said that we would never act like this  
Two young foolish lovers rushing in  
Like there were no consequences  
We were kids, invincible and great  
Now mother said good things are bound to change  
A beauty queen transformed into a heart break  
A non-trusting gentleman that made one too many  
mistakes  
Oh and by the way, one of them was you

All I can see is the pain that lies for us ahead  
We said we would never let it come to this  
We donâ€™t know  
We donâ€™t know us anymore  
We donâ€™t know  
We donâ€™t know us anymore
