We've been here for a long time, and I never thought I'd  
see  
The day that you would cross me, are we truly meant to  
be  
Are you coming back?  
Or are you gone for good?  
I wish you'd come back like you always used to

Cast the line  
Reel me in  
Is this what you wanted  
Cast the line  
Reel me in  
Is this what you wanted

So honey, don't ignore me while I stand alone and  
whine  
Admit to your involvement, and look me straight in the  
eye

Are you looking out for your own best interests,  
Knowing all along that you'd leave me here?

Cast the line  
Reel me in  
Is this what you wanted  
Cast the line  
Reel me in  
Is this what you wanted

You double-crossed me all the way  
Do you expect me to say  
It's alright, dear, I'm ok  
Is this what you wanted?  
Run  
Run  
Run  
Run
