[Lil Wayne]

Stunna it's yo' turn baby~!
Ha, and me, the heartthrob
Yeah, I be with them different hoes
No I mean them different hoes

Uh huh, yeah, believe dat

[Birdman]

Got a bitch in the back, got a hoe in the front
Got work in the back, got more in the front
It be the Birdman baby, everything kosher
Birdman baby, feathers all over
Tony Montano, white leather soft sofas
Got too many cars, so now I buy chauffers
All about my penny like a motherfuckin loafer
I was in the crack game befo' bakin soda
Bitch I'm a O.G., bitch I'm O.G.
I'm gettin high off my money 'til I OD
See you don't know me, them bitches know me
My old hoes tellin me go back to gold tee
King size bed, nigga gold sheets
Gold bottle for breakfast nigga let's eat
I got five, and they all sexy
They all drive new cars and they love me

[Chorus: Lil Wayne]

Yeah, cause I be with them different hoes
No I mean them different hoes
I mean the... believe dat
Uh huh... believe dat
Tell 'em girl... believe dat

[Birdman]

Look fresh with the heavy metal you know I need that

Gucci stay fly on the stage, believe dat
We one of a kind, we do it 'til you see me black
Ice with the chrome and the silver how you love dat
Too fresh, too cool, too shiny, too fool
Too sunny, spend money, that's just what we do
Believe I'ma shine, believe I'ma grind
Believe me your girl at my house all the time
Believe I'm about to hustle, believe me I've got the
miscle
Believe I'm the stunna man, you know I know the
struggle
Come from the pot and pan, come from another land
Come with a better game, Baby I'm the Birdman

[Chorus: Lil Wayne]

Yeah, cause I be with them different hoes
No I mean them different hoes
I mean them Weezy, believe dat
So you just gon' cut me off? Believe dat

She know I shine cuz, you know I grind cuz
She know I'm high with the metal all the time cuz
And she believe me, and she all in me
We poppin bottles to a view of the ocean B

I'm the Birdman, you know I'm in the new Caddy
Believe me, she get money just like me
I stay strapped with the flame in my new fleet
A hundred million dollar suede seats with the leather

With the gator on the front with the platinum teeths

[Chorus: Lil Wayne]
