[Chorus: Lil Wayne] + (Birdman)

(I run this bitch~!) And I'ma keep runnin

I'ma keep runnin but I'm never runnin outta money

I'ma dog, I'ma stunt, if I don't do nuttin

And my car so pretty all these hoes wanna fuck it

I got pussy wet paint, big boy shoes

Soft-ass seats and my trunk go boom

Got a black-ass gun and a bad yellow bitch

And it looks like I'ma die like this

[Birdman]

Cause we be stunin on these bitches, get money on these bitches

\$250 on the wrist nigga we be the illest

We be the realist, CMB niggaz

Uptown soldier with the money to the ceiling

Shinin like a diamond from a eagle to a pigeon

Birds on the wire hundred deep and we chillin

Fanger on the trigger that's that uptown livin

High to the sky no divin for fishes

Hustlin, doin donuts in the Lamb'

Candy on the slab, 50 on the ave

Hundred at the crib, get it how you live

Stuntin on these bitches, red diamonds how I feel

[Chorus]

[Birdman]

I'm a uptown solider, know how I roll her

Money go get her, M.O.B. all over

Hustlin with the birds, known to take it off your shoulder

Grindin with the homies, got the game out the 'Nola

Hundred G's wrap, hood with a strap

Blowin on the dojo, nigga stuntin in a 'llac

Chicken in the oven, wall safe for the stack

Bought a brand new Range, and a brand new 'bach  
Old school Caddy, fifth wheel smack back  
A brand new truck, a brand new bike  
A brand new house, a brand new psych  
A brand new bitch live a hood rich life

[Chorus] - 2X (second time with ad libs)

[Birdman]
