We are no brothers or friends fuck off
I'm no future eternal fost
how can clean this fucker world
if be a imposing fece I see you every day
why you don't ignore to me?
I'm very bond dear beighbour door
but now I'm to adge as a strait edge
go to hell
you run away
I've show to reasom whit you
you don't clutch it
you don't realize my trough
fuck off
you don't respect my little world
I wanna cross you
but now I speack stop
and now is time
violence is only mood
I want stropped your kids
stropped stropped.
