Oh my god it's do horrible
hands into hairs it's so horrible
he run away in front of the soul
someone fucker made much money
from your be small
Morbid vison of public
their "master" don't show compassion
don't respect the life
because they are only starvations
Schlitzie pin's head maybe man or woman
daisy and violent siamese sisters and jazz souls
and still another man
witch for their be lived in show
this is revolution freaks
Olga know it's so horrible
woman han for a new shows.
