Knock, knock, knock, on the door. Three dollars won't
pay no more! Drink, drink, drink, drink some more. In
my cup the tap pours. Theres people I know and people
I don't, some gettin' drunk and some getting stoned.
The house is nice, backyard is thrashed. Who gives a
fuck, were here to get trashed!
This is our youth!
This is our life!
Sleep all day!
Drink all night!
Knock, knock, knock, on the door. Gun and a badge,
don't need no more! Run, run, run, run some more.
Won't catch me, I'm out the door. There's people I know
and people I don't
