**VERSE 1**

I've found that it's all mine  
Not about time  
Not about climbing to get a higher level  
Too long I been so low  
Couldn't let go ahead and let go  
Took so long to get it

And now that I've found  
Not in this town  
Not in this ground  
Will I ever keep my treasure  
He will never let down down down  
Never let down  
Never down, never let down

**CHORUS**

Holy love I'm in Holy Love  
Holy love I'm in Holy Love  
Holy love I'm in Holy Love  
Holy love I'm in  
Holy love I'm in

**VERSE 2**

I had to find a way  
Where love doesn't have to fade away  
Grab a hold of what I see  
Gotta wrap it up and hug it tight  
Put it in my pocket

Don't get yourself confused this love ain't  
percolated  
So you can be stimulated  
Never over-complicate it  
Love can be reciprocated

**PRE-CHORUS**

I can be all you need  
If you just let me

**BRIDGE**

My love is all you need  
My love is all you need  
My love is all you need  
My love is all you need
