Throwing money in the air just to watch it fall down
Room full of women and they say they all down (down)

Verse

Me you, her on the floor
fly as a motherfucker, bad the core
Standing in room full of women
Looking like a scene from Big pimpin'
Walk like a boss since I hopped out the car
Money ain't a issue, I buy out the bar
Waiting at the gate so they hella hate
Hands up in the air, time to celebrate great
Rose, crew here, we go hard like its new year
sexy way that you move here, it making so hard to
choose here
I mean you really do the damn thing
lets have a water fight with the champagne
let tonight I'm gonna rock you
take it off, I won't stop you

Hook (2x)

I love it when the girls go wild, when the girls go wild
I love it when the girls go wild, when the girls go wild
I through dollars in the air, dollars in the air for you
(Girl get low take a shower in the money,
