[Verse 1:]

There goes our love on the glass work on the floor.  
There goes at least a thousand pieces of love lost.  
My heart is buried somewhere deep in all of this.  
The brave soul out of my rich.  
How do you expect me to make it through the fall.  
My body, my body ain't used to not being warm.  
If you never touched charge it to the first degree.  
This is killing me.

[Bridge:]

And I'm stuck trying to recall, Im'ma let you slip out the door.  
All of this bull\*\*\*\* reflecting on me.  
So I let you get the last one.  
I'll just keep the pictures, here in my head like I'm half dead.

[Chorus:]

I can't stand to see myself, I'm avoiding mirrors.  
All I wanna do is sleep and wanna face reality.  
See she left, I'm avoiding mirrors.  
Ohh you left me underneath the sheets.  
Ahhhhh Oh Ahhhhh Oh Ahhhhh Oh  
No I don't want to see us I'm avoiding mirrors.

[Verse 2:]

As fast as you came the quicker that you took a loss.  
Whatever I do take the presence off distort.  
No matter what they gonna be, me is all i've done.  
Sing, song, I'd rather go without a piece.

[Bridge:]

And I'm stuck trying to recall, Im'ma let you slip out the door.  
All of this bull\*\*\*\* reflecting on me.  
So I let you get the last one.  
I'll just keep the pictures, here in my head like I'm half dead.

[Chorus:]

I can't stand to see myself, I'm avoiding mirrors.

All I wanna do is sleep and wanna face reality.  
See she left, I'm avoiding mirrors.  
Ohh you left me underneath the sheets.  
Ahhhhh Oh Ahhhhh Oh Ahhhhh Oh  
No I don't want to see us I'm avoiding mirrors.

[Verse 3:]

Ah Ah Ah Ah Ah I wanna forget, lets get back to where  
we left.  
I'm hoping that time can heal us to bring you back to  
my picture.

[Chorus:]

I can't stand to see myself, I'm avoiding mirrors.  
All I wanna do is sleep and wanna face reality.  
See she left, I'm avoiding mirrors.  
Ohh you left me underneath the sheets.  
Ahhhhh Oh Ahhhhh Oh Ahhhhh Oh  
No I don't want to see us I'm avoiding mirrors.

Ahh Ahh Yeah [x2]
