Verse 1]

Hear my phone ring at three a.m.
So I pick it up cuz I know its him
He said I just wanna call
Cuz I had a long day and I just wanna hear your voice
He said Im on my way home from a flight
And thought about you all through the night
But the reality is, is hes going back to her
And Im going back to mine

[Chorus]

Cuz hes my secret
And Im his secret
But we both understand that we wont really care
But were not ready to let it go
Cuz hes my secret
And Im his secret
What do you want me to do
What do you want me to say
Fallin in love wasnt part of the plan of the secret

[Verse 2]

He just pulled up to his house
So we gotta hang up for a little while
But before we got off the phone
For the first time he said I love you..I love you
So now what am I supposed to do
What am I supposed to say
Youve got me so confused--Youve got me so confused
How am I going to look my man in his face
What am I gonna do

[Chorus]

Cuz hes my secret
And Im his secret
But we both understand that we wont really care
But were not ready to let it go
Cuz hes my secret
And Im his secret
What do you want me to do
What do you want me to say
Fallin in love wasnt part of the plan of the secret

[Verse 3]

Weve got to figure this out
Cuz were too deep in it now
Cuz we slipped up and fell in love
While we were both with somebody else

[Chorus--Repeat 2x]

Cuz hes my secret
And Im his secret
But we both understand that we wont really care
But were not ready to let it go
Cuz hes my secret
And Im his secret
What do you want me to do
What do you want me to say
Fallin in love wasnt part of the plan of the secret
