Fall
From the sky
39
Further than ever from the ground

Taking of
Outer space
Travelling at the speed of sound

Please sign me up
As a pioneer
You got me thinking a lot
'Bout who we are
Where we go from here

Lost
On your own
Spinning round
From ground control to Major Tom

Sunday night
On your screen
We've all gone supersonic now
We've all gone supersonic now

Please sign me up
As a pioneer
You got me thinking a lot
'Bout who we are
Where we go from here
You got me thinking a lot

Please sign me up
As a pioneer
You got me thinking a lot
'Bout who we are
Where we go from here
