It takes  
Nothing but a minute  
For you  
To make  
Him fall  
In love  
It's nothing but amusement  
To you  
To make  
Him feel  
So blue  
Spin 'em around your finger  
Again  
You warp  
His mind  
And soul  
Flavour of the evening  
To you  
It's no-  
Thing new  
He's on his knees  
Pretty please

You're in it way too deep

Watch it  
She's coming for you  
And you will be left without a chance  
Watch it  
She's so enchanting  
And all that it takes is just a glance  
Watch it  
Hey she's stunning  
Hey she's beautiful  
She's a femme fatale  
Watch it  
Now run for cover  
Cause she's no lover  
She's a femme fatale

And the stakes

Couldn't be much higher  
For you  
She sees  
Right through  
Disguise  
And she will lead you on for  
A while  
A kiss  
A smile  
She knows  
Every little trick in the book  
To cast  
A spell  
On you  
She will seal the deal on  
The spot  
And you  
Cannot  
Escape your fate  
Take the bait  
Hook, line and sinker better

Watch it  
She's coming for you  
And you will be left without a chance  
Watch it  
She's so enchanting  
And all that it takes is just a glance  
Watch it  
Hey she's stunning  
Hey she's beautiful  
She's a femme fatale  
Watch it  
Now run for cover  
Cause she's no lover  
She's a femme fatale
