Though I know we don't talk that much
I still long for your every touch and feel
Your sorrow
I am constantly thinking of
That you might find a better love than me
Tomorrow

How can I be sure
Where it's at
What you do
When I'm blue
How do I know
If you're not lying
Do not ever leave me

Unsure
Where it's at
Got no cure
Front to back
How do I know
If you're not lying
Do not ever leave me

You're an angel gone physical
Making love quite unbearable and life's
A puzzle
When you're gone and I'm left alone
When I'm dancing all on my own like I
Like I do

How can I be sure
Where it's at
What you do

How can I be sure
Where it's at
What you do
When I'm blue
How do I know
If you're not lying
Do not ever leave me

Unsure
Where it's at
Got no cure
Front to back
How do I know
If you're not lying
Do not ever leave me

But when the lights have begun to fade
When it's dark out and all too late
I want only you

The beat
Of my heart
Will go on
For as long
As you may want
Until you're tired
For as long you need me

Unsure
I don't know where it's at
Got no cure
Front to back
How do I know
If you're not lying
Do not ever leave me

How can I be sure...
