So you wanna play ball
And you wanna get down
Telling me I'm all that
Like all the other boys in town
We get paid
A cent at a time
I really couldn't care less
Let's blow a grand to make a dime
Let's blow a grand to make a dime
Let's blow a grand to make a dime
Let's blow a grand to make a dime

I will deliver
Eventually
I've got you covered
It's all within me

Tell me to my face you got the answers
Haven't really got a clue
Telling me to copy all the others
Keep on doing what I do

You tell me to my face you got the answers
Haven't really got a clue
Telling me to copy all the other
Rather do something new

And I'll do it my way

And you dig the vibe
Feeling the groove
Dream of the past
Goodbye I'm off to something new
And at the end
Of the line
Vinnie couldn't care less
Let's blow a grand to make a dime
Let's blow a grand to make a dime
Let's blow a grand to make a dime
Let's blow a grand to make a dime

I will deliver
Eventually
I've got you covered
It's all within me
I'll bring the bacon
Till you've had enough
Taking your order
While ringing you up

Tell me to my face you got the answers
Haven't really got a clue
Telling me to copy all the others
Keep on doing what I do

And then you tell me to my face you got the answers
Haven't really got a clue
Telling me to copy all the others
Rather do something new

And I'll do it my way
Yeah, I'll do it my way
Or the highway

Let's blow a grand to make a dime
Let's blow a grand to make a dime
Let's blow a grand to make a dime
Let's blow a grand to make a dime
