You're wonderful
My heart attacker
The only thing
To me that matters
You're all
I need

The way you look
You're such a poser
A natural
You got me going now
For good

We're up against the wall
Locked in a situation, caught us by surprise
You're trying to fight but I see it in your eyes

We're on to something wonderful
You're wonderful,

You're wonderful
My heart attacker
Delirious
From how you spin my mind
Around

Time is up
No more distractions
Strike a match and set off a chain reaction now
With me

We're up against the wall
Locked in a situation, caught us by surprise
You're trying to fight it but I see it in your eyes

No locomotion
Time appears frozen
Sensations of floating
Across the sky
It's unholy
The way that you know me

Coming down slowly
From our high

You're wonderful
Delirious
Oh so wonderful
You're wonderful

You're wonderful
My heart attacker
Delirious
From how you spin my mind
Around and around and around,
