[Intro: Swizz Beatz]

Whoo! Yeah yeah, excuse me

Keep rollin rollin rollin, hey hey hey

Keep rollin rollin rollin, hey hey hey

Keep rollin rollin rollin, keep

Keep rollin rollin rollin, ah-what you said now?

[Chorus: Swizz Beatz] + (Autumn Rowe)

(I-I-I-I-I lo-o-o-o-ove you)

My Impala sittin on them two-fo's

(I-I-I-I-I lo-o-o-o-ove you)

My Cutlass with them suicide do's

Move, out my way; move, out

My nigga move, out my way; move, out my way

(loooooooooooooove)

Wait a minute now, for a second now

Wait a minute now - ride on 'em, ride on 'em!

[Krayzie Bone]

Here come granddaddy always classy, ain't no nigga badder than that

They know I'm gangsta, 20-K Vogues on my black Cadillac

And as a matter of fact I flipped it and dipped it in some candy paint

Suckers get mad cause they can't, can't

[Layzie Bone]

Your boy Lil Layzie comin though all in that black Monte Carlo

I'm switchin lanes, dippin lanes, like it ain't no tomorrow

I'm tryin to, get around cars with no regards for this traffic

Look how I yank it, yeah I yank it makin it look like it's

magic

[Wish Bone]

If you see that dash strong you know what to do  
You know what to do, you know what to do  
Cleveland freeway rollin like it ain't we roll, our block  
and out we go  
Watchin for them po-po's mashin down that 71

[Chorus] w/ ad libs

[Wish Bone]

Stomp it, bash it with my 350 Rocket, Cutlass  
White on white it's tight, from bumper to bumper can't  
touch it  
For a little more juice I super-charged it, yeah his ride's  
tight  
But ain't tight like mine cause we workin on different  
swaps, hey

[Krayzie Bone]

When I swing my do's open (my do's open)  
My niggaz out in Cleveland swing them do's open  
(swing them do's open)  
Big rumps, big bumps, big trunks  
Whylin as I take it to the other side, let's get high  
Pimpin while I'm deep into my vibe, roll by

[Layzie Bone]

I'ma come with the cleanest  
I ain't gon' be seen these niggaz don't know who the  
team is  
I love it I breathe it, Swizz and Bone, nigga that's who  
we is (we is)  
Whatever the purpose it's a Full Surface, what you call  
architects  
Too hard to check, and if you don't move we startin shit

[Chorus] w/ ad libs

[Layzie Bone]

And since I, gotta have it nigga my weapon is  
automatic nigga  
Nigga stepped his game up when he came up, shoulda  
thought about it nigga  
Cause these 24 inches spinnin is usually good for  
makin they heads twirl  
Travel with me nigga, while I journey this world, yup

[Krayzie Bone]

Switchin lanes (dippin) switchin lanes (dippin)

Switchin lanes (dippin) switchin lanes lanes  
We rollin through your hood like Bone, Thug  
And I doubt if we ever need to gangbang it's because  
(cause)

[Chorus] w/ ad libs
