[Ricco Barrino] Heyyy, wooo, ooooo Hey yeah, ooh now
[Chorus: Ricco Barrino] If I had one wish, that wish
would be clear That I would not have to go, that I could
stay here And although it hurts me, to leave you all
alone Just know I'll come back to you, for now I am gone
[Interlude: Krayzie Bone] + (Ricco Barrino) For now I
am gone, for now I am gone (goooooooooooooooooone)
For now I am gone, for now I am, gone (for now I am
gone) For now I am gone, for now I am gone
(goooooooooooooooooone) For now I am gone, for now I
am, gone (for now I am gone) [Krayzie Bone] When I'm
dead and gone don't even worry Don't mourn me too
long, death'll get you discouraged Keepin your vision
blurry, prison and mentally hurtin I know it for certain if
I'm really restin in heaven No need for you to fear,
don't cry Cause death won't forever have a grip on our
lives So I'ma be comin, be ready for the next shine
Cause I'm a believer that I'll see a resurrection Don't
believe that I'll burn in hell I study the scriptures and
they learn me well No trippin, no drippin, no purgatory I
dwell I sleep, I rest in piece 'til I prevail It's just a
temporary lay down, I won't forever stay down So keep
me in your memory, don't let me fade out I'll probably
never see you at the crossroads Guess I was wrong,
I'm gone gone, long gone [Chorus] [Layzie Bone] We
hit the road back in 1993 Had a vision like a prophet,
the project was go see The logic was so deep, I come
back and do a lotta good I heard the callin so I headed
out to Hollywood One-way tickets, my niggaz and no
fear Some said that we was trippin, the mission was so
clear Don't wanna go there, the money was over there I
still love ya 9-9, I miss ya St. Clair Yeah, now I'm movin
on a roller coaster Just ridin, tryin to be Jehovah's
soldier And I'm grindin, tryin to make it better for ya So
for now I best be gone, be gone I made a vow to
change the world somehow I'ma impact it and see it in
this lifetime On the dark road to bring back the
sunshine But for now I'm gone - I gotta go get it
[Chorus] [Wish Bone] If it's out there to get, then I'ma
go and get it Get it 'til I got nothin left, chasin better
livin It's a 'tinuous mission, so I'm steady movin And I

gotta get it in, never settle for losin I'm a Thug true,
add to or get out the way You could settle for less, but I
need more on my plate Eatin good, family good Okay
'til that day I'ma get up and move, move Show my
babies how the Thug do, ooh I'ma play it like it's my last
game If it's due better give it up right away Cause a
thug nigga's gonna bring pressure See me fucked up,
starvin nigga, never And as long as niggaz out here
gettin paid Back to my old ways, who they gonna run
and tell, huh? It's a street thang, c'mon [Chorus]
[Flesh-N-Bone] Yeah we ready, back up in 'em with
nothin but the harmony rhythm Hard hittin flows all we
give 'em Flows that spit venom, no cop, there goes the
end of 'em Ever since the beginnin we winnin it Get a
glimpse of legends standin on deck 'Til we come we'll
be here holdin down the set Keep on wonderin what the
Bone 'bout to do next Still they humble and the
hungriest, God bless The fan fam flex all across the
U.S. Overseas and Tel Aviv and back west You know we
go the hardest, no need to say we better than the rest
It's obvious more or less Came down off my high from
the wet When I had to do a stretch, I signed so I cashed
the check Had me caught up in a game, insane, my
head blown What's goin on cause ain't nobody home
[Chorus] [Interlude] [Ricco Barrino] Gone, I'm gone,
I'm gone, I'm gone I'm so
goooooooooooooooooooooone, ooh yeah! I'm so gone!
Wooo!
