[Layzie Bone]

Know why I sound so raw cause I'm down by law
Try to play because I'm rappin I will break yo' jaw
Catch a nigga in these streets, make him take clothes
off
Leave you there butt-naked, man you fuckin with a boss
Cross paths with me, I'm in the hood, all in Watts, in the
Bronx
In Decatur, all around the devil block, trouble knocks
I'm ready for 'em, niggaz they know I'm ready for them
hardest
I'm a deadly poet so I'm heated heavy for it
Why you lookin for me nigga with yo' lookin ass
Meet me at the club, all my niggaz get to whoopin ass
Then a nigga sue me, sue me
Nigga 'posed to be thug, nigga 'posed to be street
Pull yo' skirt down nigga cause I'm smellin yo' pussy
The whole bottom line is you can't fuck with me
Will.i.am the ghetto...
Well I am the ghetto...
Cause I'm a thug by nature, "Thug By Nature"
Gotta keep thuggin I'm thuggin, gotta keep thuggin I'm
thuggin

[Chorus: will.i.am]

If you lookin, fo' me, I'll be, rollin
You could find me in the streets
You, you could find me in the streets
If you lookin, fo' me, I'll be, rollinnnn
You could find me in the streets
You, you could find me in the streets
If you lookin!

[The Game]

It's the black rag assassin, 44-mag blastin
Black ski mask throwin shots out a Dodge Magnum
Gangbang forever, put the barrel on the head of the
devil
with homicidal intentions, I reign terror
on any clique or squad, you niggaz bitch you fraud
I'm a tickin time-bomb that'll finish the job

Lyrical damager, one-two punch crush you amateurs
Box and watch me execute like Cockton
My flow pipin hot scorchin, proceed with caution
Murder any MC or soul that's lost
When I'm ridin with them Bone Thugs
Black glocks and chrome slugs parked on the block
with the nose up
Get ready for the +Face/Off+, Nicolas Cage
ain't got shit on a nigga with a fuckin grenade
One man army, only two things in the world could calm
me
Wet pussy and that bomb ass chronic
I never back down, never back down
Never back down now that the Bone Thugs back
{*blaow*}

[Chorus]

[Krayzie Bone]

Now we the niggaz in the black Dickies and still tote
boots
Stompin a nigga that got a pistol and he still won't
shoot
Is he a ho? Like half of these niggaz is rappin I'ma let
you know
These niggaz is actin and puttin on a fashion show
We done checked these niggaz
Met these niggaz, man I don't respect these niggaz
I'm a real motherfuckin T-H-U-G original
Hate to be a critic but yo' shit I ain't feelin though
You niggaz is elementary, I got history
Lyrically you can't see me, physically I'll bring you
misery
Seriously, you niggaz ain't been hearin me - but listen
to these other niggaz hits, you hear my twist, they bit
my shit
But it's all good cause we keep it all hood
And when we see niggaz we raw dawg like a hog
should
Just when we put the motherfuckin money on the wood
Bitch niggaz really bone if they could
But I'ma shut 'em down, I'ma shut 'em down
I'ma shut 'em down, Bone niggaz known not to fuck
around

[Chorus]

[Wish Bone]

I got my head on my balls
Grippin Nina Ross, hood star, sick up in my boulevard
You know I'm in the streets, I ain't hard to reach

On some cool shit or some beef shit nigga I'm in the
streets
They say my only occupation hittin avenues
chasin paper always (always) and I know how to get it
in pissy hallways (hallways) in a raw way
You could get it how you live, nigga stuck up wrong way
I let it bang b-bang bang, I'm the streets for real
And I love it but you know how the game play got me
ready to kill
somebody, but it's all good
With these shows, and my streets, nigga all good
Gotta keep stackin my paper like it's all I know
These niggaz is playin, I gotta get it lock and load
Winter to summer, summer back through the winter
We hustlin dawg, hustlin hustlin hustlin
Give it all ya got, give it all ya got, hustlin
Niggaz that's talkin about we ain't out - WATCH yo'
mouth!

[Chorus]
