Hate you, hate it  
Hate this shit  
Hate your words, hate your ways  
Hate my words  
Hate my ways

I fucking hate myself  
I fucking hate you MORE.  
Just know how to

Hate, down my spine  
Hate, raging wounds  
Stuck in my soul  
All I know is  
Hate is in control

Name it  
Blame it  
Fake it  
Hate!  
Hate to lose  
Hate your days  
Throw away

I fucking hate myself  
I fucking hate you MORE.  
Just know how to

Hate, down my spine  
Hate, raging wounds  
Stuck in my soul  
All I know is  
Hate is in control
