Bad deal,  
Something else is coming for you  
Smarter and screwed  
That's your business  
Going against the

Whole World alone  
Just looking for more  
Busted lips drain  
You've got a broken bloody nose

I'll show you  
My short-sighted solution  
It leads to your  
Your destruction

Season's over  
Biased opinions  
Always come from within  
Deceits refused  
Intervention will be done

With no bullets in the gun  
Where are you from?  
Good riddance  
Busted lips drain  
You've got a broken bloody nose

My shortsighted solution  
Is your destruction
