Sure you look cool  
Your Skin is brand new  
You know how to be in control  
No chances you waste  
An ultimate ass you've got

You're the bait I won't bite  
You're the bait " The one I won't bite

Lighting soon  
A hell of time will be through  
Who and how will you be?  
Probably out of tune & fading away  
A picture is all that you've got

You're the bait I won't bite  
You're the bait " The one I won't bite

I can see you  
Can see you growing  
Growing stronger Day by Day  
I can see you  
Can see your life  
You life crumbling minute by minute

I can see no way out  
I can see no coming backs  
i can see no compromise  
But I can see, yeah, the day that you'll die!
