[Chris Brown]

I got all this love inside of me
and all I wanna do is give it to her
I don't care what the fellas say about it
cause I got somethin to say about it
What I'm about to say is straight up real talk
No cut I don't play about it
There ain't a price you can put on a girl
who knows just what to say when you need to hear it
the most
And I'ma tell you somethin else
If I don't know nothin else I know

[Chorus] + [Hook]

[Verse 3]

I wanna give her the world and I ain't even tryna lose

In the crib in the streets she represent for L B dub
E-N-T she a nice with the pretty brown bright eyes
I'm a winner with the right prize
I'ma give it to her to the rhythm of a hi-hat
She got a beautiful mind you can't buy that
And the site of her behind when she walk on by make a
{nigga} wanna try that
She got the prettiest smile and she gangsta
Keep me from runnin wild and I thank her
Ad we can talk about anything she got good
