Uh Uh Uh,
Got me like.
Wooo-hooo
And when i think about you
Thats the first thing that come to my mind.
Im like
wooo-hooo
Baby you can get it all,
you can get it all
you can get it
wooo-hooo
And when i think about you
Thats the first thing that come to my mind.
Im like
wooo-hoo
Shawtie you can get it all
you can get it all
you can get it

I know you heard my reputation
You dont think i would ever do right by you
You think that if you and i was in a relationship
I would never be true (be true)
You think that anything i say is straight gang
and to me your just another new name
But what im tryna tell you for every man
theres a woman that'll make him change
And i believe you the one that'll make me
but any time i try to show you you shake me
I know i make it real hard for you to take me serious
but baby girl i am (i am)
And i aint stoppin right here, ima keep going
And im gona make sure everyday tat you keep knowing
Weather if i have to send you flowers
or talk to you on the celle-phone for few hours
im yellin like..

Wooo-hooo
And when i think about you
That the first thing that come to my mind.
Im like

wooo-hooo
Baby you can get it all,
you can get it all
you can get it
wooo-hooo
And when i think about you
Thats the first thing that come to my mind.
Im like
wooo-hoo
Shawtie you can get it all
you can get it all

(One, one, one, one)
One minute you act like you like me
and then the next you dont
You still sending me crazy emails
Like i know its just sex you want
I cant lie the sex is truly incredible
And every part of your body is so edible
I get tears from just thinking bout it
But that aint the reason why im stuck and cant let you
go
We got a serious serious bond
And when we kick it we have nothin but fun
I feel a whole lot of L-O-V-E between you and me
even though we still young
Just your company aint gota get none
Talk the same lingo, understand where im coming
from
and if anybody ask me a question about you
ima tell em you the one
You got me like

Wooo-hooo
And when i think about you
That the first thing that come to my mind.
Im like
wooo-hooo
Baby you can get it all,
you can get it all
you can get it
wooo-hooo
And when i think about you
Thats the first thing that come to my mind.
Im like
wooo-hoo
Shawtie you can get it all
you can get it all, you can get it

Johnta:

And when i think about you
That the first thing that come to my mind.
