Roll over baby

The time has come

To make a little bit more room

I've hung around you

It's gettin tough

I think I 'm gonna break down soon

I remember

Crying in the park

It was getting dark

Suddenly I looked up

You were my sky

So sleep darlin'

Why don't you pretend we were just a dream

It's cool baby

It dosen't matter anyway

I'm so sorry

We got to the station a little too late

It's such a shame

We just missed the train

Be quiet angel

Don't make a sound

Save it for a rainy day  
Oh can't you see me  
Thru the clouds  
Trying hard to find my way  
Do you remember  
Drinking all that wine  
We were feeling fine  
Though we couldn't walk a line  
We were all right  
So sleep darlin'  
Why don't you pretend we were just a dream  
It's cool baby  
It doesn't matter anyway  
I'm so sorry  
We got to the station a little late  
It's such a shame  
We just missed the train  
We just missed the train  
Oh why'd that train just pass us by  
Didn't anyone see we were stuck at the light  
Or we would've made it on time  
So sleep darlin'  
Why don't you pretend we were just a dream  
It's cool baby  
I'm so sorry

We got to the station a little too late

It's such a shame

We just missed the train

We just missed the train

Shame shame we just missed the train

Shame shame we just missed the train

I've been roaming 'round this great big world

Trying to find a pretty girl

All dressed up in clothes that didn't fit me

I've been roaming 'round this great big world

Have you seen my pretty girl

If you see her please tell her I miss her
