I like boys!

I'm throwing out my doll house

I'm giving up my toys

I realized this morning:

I like boys

Chorus: I like boys (I like boys)

I like boys (I like boys)

I'm giving up my hopscotch

To keep a little voice

I'm putting on some lipstick

To attract some boys

(chorus)

I'm making no more mud pies

I'm staying out of the dirt

I'm gonna buy some nylons

And a leather mini skirt

(chorus)

I'm gonna let the world know

By making lots of noise

No people turning back now

'Cause we like boys

We like boys (We like boys)

We like boys (We like boys)

We like boys (We like boys)

We like boys!

We like boys (We like boys)

Submitter's comments:Â

hopscotch = children's game

In the version of the Teen Witch Musical it's:

I'm giving up my hopscotch  
To get a little poise  
I'm putting on some lipstick  
To attract some boys
