I've been sending you letters
Telling you how I wanna be beside you
I've been going out of my mind
Trying to find a way to make you mine

bridge: Don't you think it's time for you
To give me just a little bit of your attention
Time is up I've waited enough
Better be prepared, don't expect me there

Chorus: Never gonna be the same again
Never gonna be, the same again
Never gonna be the same again
Never gonna be, the same again

I've been dreaming about you
Why is it in dreams you do anything I want to?
When I try to get closer to you,
You push me away I don't know what to say

(repeat bridge + Chorus)

Why can't you see whats going on with me?
Your gonna wait to late to find yours...

..(break)..Why can't you see whats going on?

(repeat chorus (2x))
