[Paul Wall]

Boys talkin down

On the sidelines watchin wishin they was playin the  
game we playin

But it's all good though; Paul Wall

Brooke what up baby?

[Brooke Hogan] + (Paul)

What's it to you Paul Wall? Yeah (naw)

Now who's talkin? (naw)

[Paul Wall]

Okay, hey... what it do?

I hear the commentators on the side chatterboxin

Paul Wall and Brooke got all the paparazzi watchin

I hear 'em jaw-jappin, bumpin gums, chasin crumbs

We ain't concerned with the bums, we accumulatin  
funds

Flash the wrist, got the Johnny Dane watch froze

Five karat with the yellow stone in my earlobe

I'm squashin chatter when the light hit the pinky ring

Starched and clean, white cup full of lean

See me in that new Benz cause I'm also ballin

Or a old school slab with the fifth wheels fallin

We got 'em talkin, but really they ain't sayin too much

Just speculatin with they gossip

Truth is, they don't know about us

[Brooke Hogan] + (Paul)

I see your lips movin but I don't hear nothin (naw)

Everybody actin like they really know somethin 'bout us

(They don't know baby) But they don't know nothin

'bout us

(They don't know baby, they don't know about it)

I see your lips movin but I don't hear nothin (naw)

Everybody's actin like they really wanna know about us

(They don't know baby) But they don't know nothin

'bout us

(They don't know about you baby, talk to 'em Brooke)

[Brooke]

I'm just tryin to live, but you're all up in my grill  
How's a girl to breathe with the media  
starin down my mouth, with a fo' inch lens  
I just wanna hit the mall with some of my friends

[Paul Wall]

They talkin 'bout us so I guess we doin somethin right  
Ballin in the mix with the camera lights shinin bright  
They know we caked up, but they don't know how much  
we worth  
Paper stacked to the ceilin all because we put in work

[Brooke Hogan] + (Paul)

Picture yourself in my shoes (uh) top story in the news  
Everyday it's something new, everybody's watching  
you (f'real)  
But they ain't seen nothing (naw) they ain't heard  
nothing (naw)  
Everybody's just fronting, it's what they do

[Brooke Hogan]

I see your lips movin but I don't hear nothin (no!)  
Everybody actin like they really know somethin 'bout us  
(They don't know about us) But they don't know nothin  
'bout us  
(They don't know about us, nooooo)

[Brooke Hogan] + (Paul)

I see your lips movin but I don't hear nothin (naw)  
Everybody's actin like they really wanna know about us  
(They don't know baby) But they don't know nothin  
'bout us  
(They don't know about you baby)

[Brooke Hogan]

Stop stop stop! I'm not listening, you can save your  
breath  
I don't wanna, hear the rumors people are spreading  
Why, why, why do people go, out of their way  
To try to bring us down, they don't know nothin 'bout us

[Brooke Hogan] + (Paul)

I see your lips movin but I don't hear nothin (naw)  
Everybody actin like they really know somethin 'bout us  
(They don't know baby) But they don't know nothin  
'bout us  
(They don't know baby, they don't know about it)  
I see your lips movin but I don't hear nothin (naw)  
Everybody's actin like they really wanna know about us  
(They don't know baby) But they don't know nothin  
'bout us

(They don't know about you baby, naw)

[Paul Wall]

They don't know baby, naw {\*to fade\*}
