Let yourself and forget the rest
With help, I never thought I never wanted to express
myself
So much that it hurt inside, keep moving
Keep your head held high, I'm on ,
I seen another get away, the warriors rise
Nights I cry till my eyes are blind
But I'ma fight this fight till the day I'll die

What have I got to do? When you're not near me
Nothing ever remains, you come and you find me
What have I got to do? To feel like I'm close with you
I want it to feel the same, so don't go just be with me

You know da time black and mi have the magic
So di people dema call me rasta majik
Rasta who? Rasta majik
You know da time black and mi have the magic
So di people dema call me rasta majik
Rasta who? Rasta majik
And , as it detoxify my body, stress and
...hard ache and pain
I coress your thoughts trembling,
Minds into, making love into rain of ecstasy
You know da time black so mi have the magic
So di people dema call me rasta majik
Rasta who? Rasta majik

What is there left to say? When you can't hear me
Some things will always change, but you know where to
find me
What have I got to do? For it to all to be okay
I want it to feel the same, so don't go just hold me

You know da time black and mi have the magic
So di people dema call me rasta majik
Rasta who? Rasta majik
You know da time black and mi have the magic
So di people dema call me rasta majik
Rasta who? Rasta majik
Visualize, mentalize, materialize

Walking up, and me dance, and me walk,
You know da time black and mi have the magic
So di people dema call me rasta majik
Rasta who? Rasta majik
You know da time black and mi have the magic
So di people dema call me rasta majik
Rasta who? Rasta majik
Because I am black and me have the majic
So di people dema call me rasta majik
Rasta what?
