I'm gonna live my life  
Like everyday's the last  
Without a simple goodbye  
It all goes by so fast  
And now that you're gone  
I can't cry hard enough  
No I can't cry hard enough  
For you to hear me now

Can I open my eyes  
And see for the first time  
I've let go of you like  
A child letting go of his kite

There it goes  
Up in the sky  
There it goes  
Beyond the clouds  
For no reason why  
I can't cry hard enough  
No I can't cry hard enough  
For you to hear me now

Can I look back in vain  
And see you standing there  
With all that remains  
Its just an empty chair  
And now that you're gone  
I can't cry hard enough  
No I can't cry hard enough  
For you to hear me now

There it goes  
Up in the sky  
There it goes  
Beyond the clouds  
For no reason why  
I can't cry hard enough  
No I can't cry hard enough  
For you to hear me now
