Smooth guy fire in his dark eyes  
the room is been alike  
my heart is like "what is going on"

As I, get up slowly  
my eyes, still blurry recognize  
something 's going on

What's your name  
is this a summer game  
can we do it again ( let's get together )  
something is going on

You have no shame  
right in my lane  
let's do it again ( let's get together )  
ever been so wrong

Oh my, I remember when i saw you  
I was hypnotized lost myself  
and you d know it was on  
going crazy oh no  
we started to get it on  
feel it baby something is going on

What's your name  
is this a summer game  
can we do it again  
something is going on

You have no shame  
right in my lane  
let's do it again  
ever been so wrong

Move your body close to mine

our rythms coincide  
how could wrong feel so right

I aint trying to play no games  
but if you are just say (it),  
let's play just for tonight
