Time must have taken
A toll on your heart
Cause you're in love
But full of hate
You can't cry your tears away

Memories of all the things I felt
But could never say no way
Leave an empty trail
Of all our smiles & fears
In a bundle of dismay
Now you're...

Walkin away (just like I knew you would)
You are just walkin away (just like I knew you would)
Walkin away (just like I knew you would)
You are just walkin away (just like I knew you would)

How can I ask of you
To keep just a part of you
For all we shared my babe
For the 22 hours and the 22 days
That we spent in our own way

Leaving places we've known
Etched out glances in stone
Sharing gifts that can't be made
Oceans and oceans
Of emotions devotions
We no longer care to say
Now you're...

Walkin away (just like I knew you would)
You are just walkin away (just like I knew you would)
Walkin away (just like I knew you would)
You are just walkin away (just like I knew you would)

Just like I knew you would
Just like I knew you would
Just like I knew you would
Just like I knew you would

Walkin away (just like I knew you would)
You are just walkin away (just like I knew you would)
Walkin away (just like I knew you would)
You are just walkin away
