Have you forgotten me
lord up above?
I stand here forsaken by all I love

Hear me
oh
hear me and answer my plea

Send an angel to earth to comfort me.
A soldier stands guard on the volga's side

He keeps his watch on the river wide

The night is dark and full of fear

Silent is the land around

Not a shred of comfort has he found

And his heart cries out in loneliness.

Have you forgotten me
lord up above?
Have you forgotten me
lord up above?
Have you forgotten me
lord up above?
