I'm sitting in this place again - where used to sit many times.

And the atmosphere is heavy when the peccadores arrive.

All the people here around me stare
Full of tension down to the ring

Then the panish tnunpets cut the air

When the man in black comes in - the torero appears in the ring.

Ev'rybody's singin': Viva
viva Torero

Eviva el grande corrida d'Sevilla.

Everybody sing: Viva
viva Torero -

We all here adore you
you great Spanish hero.

Viva

viva Torero - Eviva el grande corrida d'Sevilla

Everybody sing: Viva
viva Torero -

We all here adore you
you great Spanish hero.

Que dios te accompane
take good care

mi amor

The fight takes all my breath away
there's no more mercy
oh no

'cause both are fighting for their lives -
They are strong
wild and proud.

Then the last th;ust - and the bull breaks down
And lies broken in the dust and the crowd is screaming
above:

Ev'rybody's singin': Viva
viva Torero - .

Viva

viva - ev'rybody's singin': Viva
viva Torero
Viva
viva Torero -
Viva
viva Torero -
