You get me on the run

You turn me on and on

You get me on the run

I never thought that it could be done.

You're the one  
the party's on and going strong

You're the one  
I felt the rhythm in the song

You're the one  
when you asked me for a dance

You're the one  
my mind just didn't stand a chance.  
I went cold and hot but I couldn't stop

Stop the fever deep inside.  
You get me on the run

...

You're the one  
I understood without a word

You're the one  
noone saw and noone heard

You're the one  
when you took me to your home

You're the one  
we loved until the break of dawn.  
You are dynamite  
when you hold me tight  
You're the one who drives me wild.

You get me on the run

...

You get me on the run

...
