[Intro]

Ladies and Gentlemen in the Southern states of
America

We gather here today and bring you the beginning of
the new era

And now the speaker of the South, J. Prince

[J. Prince - talking]

Awww yeah.. Rap-A-Lot back in the house once again

With the trillest of the trill, Bun B

The new president of the South

Yo Bun, it's your time

And we dedicate this one to all our brothers and sisters

Who suffered at the hands of the industry

[Bun B]

It's been a long time comin' but it finally came

For Bun B to get his motherfuckin' shot in the game

I put my work in than an average trill nigga can put

And I'm a gangsta from my head to my foot

Black understood, I got the hood behind me

The street's co-signed me

Head ported in the ghetto, you know where to find me

The mission is laid out and the vision is clear

From this moment I run the South and everything down
here

From the corners and cuts, trap spots and blocks

Whether it's rappin' or work, I got the shit on lock

I ain't wit' all that back talkin', sneak dissin', or plexin'

I'ma tell ya how I feel 'cause I'ma god damn Texan

'Bout time for me to start eliminatin' the fraud

'Cause this a White House of cars, filled wit' nuttin but
broads

We gon' run them hoes out and put some trill niggaz in

'Cause what happened in New Orleans, should never
happen again

They been sittin' on they ass, doin' much about nuttin

For too god damn long, and I'm tired of the frontin'

I'ma instigate a change from the motherfuckin' top

'Cause this bullshit they pullin' on my people gotta stop

So I'm here to make a stand (stand) and take up the

slack

Dirty South, Prince, Deezy I got ya motherfuckin' back

It's a new king on the throne, and its crown is a hat

It say "Free Pimp C," now what's fuckin' wit' that?

Hail to the chief {*echoes*}
