I'm tired of being number 2 and all I want is you. if you keep on telling me that we gon be together but you never come around cause your girlfriends got you all up in her grill. suspicious of the deal. when you say you got control of the situation but I'm getting impatient. I won't keep waiting.

I refuse to let you take me down this bumpy roller coaster. should of listened to my girls when they tried to warn me. I refuse to let you play. play the victim any longer.

(this is it. this is your ultimatum)

Yeah your ultimatum yeah cause I'm mad as hell you would never come and leave you we're mine from the jump. this is your ultimatum yeah yeah. your ultimatum yeah yeah cause I'm mad as hell you would never come and leave you we're mine from the jump ultimatum.

I can't believe it takes take so long to make the decision that I thought you already new. but obviously this confirms you lied. boy you lied to me. and to my family. how could I have felled for you oh.

I refuse to let you take me down to this stumpy rollercoaster. should of listened to my girls when they tried to warn me. I refuse to let you play. play the victim any longer.

(this is it. this is your ultimatum)

Yeah your ultimatum yeah yeah cause I'm mad as hell you would never come and leave you we're mine from the jump. this is your ultimatum yeah your ultimatum yeah yeah cause I'm mad as hell you would never come and leave you we're mine from the jump ultimatum.
