[Verse 1: Busta Rhymes]

Now, there ain't no way that you could kill the beast  
dead

I got Middle East women and Middle East bread

I got oil well money in the desert playing golf

Dolce shorts, dashiki with a Louie Scarf

Chest cold, diamonds make a nigga wanna cough

In Dubai, 20 million on the villa loft

And then I step up in the club and then these other

niggas mad as shit dapslyrics.com

The way I make the people wanna sing the hook in  
Arabic!

[Chorus: Ron Browz]

Shalai Lai Lai Halilili Hai Lo!

Hi Li Ba Lai Hey Hi Li Bai Lo!

We gettin' Arab money!

We gettin' Arab money!

Ha La Shiki Hai Lili Ba La!

Milli Ai Lai Shi Lili Ba La!

We gettin' Arab money!

We gettin' Arab money!

[Verse 2: Busta Rhymes]

Seven star hotels, Maybach, movie sick  
Big bitches, knock-kneed camel-toed groupie shit  
Women walk around while security on camelback  
Club on fire now, niggas don't know how to act  
Sittin' in casinos while I'm gamblin' with Arafat  
Money long, watch me purchase pieces of the Almanac  
Y'all already know, I got the streets buzzin'  
While I make you bow down and make Salaat like a  
Muslim

[Chorus: Ron Browz]

Shalai Lai Lai Halilili Hai Lo!  
Hi Li Ba Lai Hey Hi Li Bai Lo!  
We gettin' Arab money!  
We gettin' Arab money!  
Ha La Shiki Hai Lili Ba La!  
Milli Ai Lai Shi Lili Ba La!  
We gettin' Arab money!  
We gettin' Arab money!

[Verse 3: Busta Rhymes]

See, now I take trips to Baghdad dummy  
While I use stacked chips and count Arab money now  
I don't need to get fresh, about to grow a beard duke  
So much cake even the money look weird too  
Domestic bread, and I'm broad, I'm tryna eat right  
Prince Alwali, Bin Talal, Al Saul  
They respect the value of my worth in Maui, Malaysia  
Iran and Iraq, Saudi Arabia!

[Chorus: Ron Browz]

Shalai Lai Lai Halilili Hai Lo!  
Hi Li Ba Lai Hey Hi Li Bai Lo!  
We gettin' Arab money!  
We gettin' Arab money!  
Ha La Shiki Hai Lili Ba La!  
Milli Ai Lai Shi Lili Ba La!  
We gettin' Arab money!  
We gettin' Arab money!
