Tonight ... I know in my heart I want to be with you

Let me love you tonight.

How can I make you want me?

How can I make it for real?

I wanna love you forever.

I hope that you feel the same.

I'd give everything for you

To make you want to stay

I'll give everything I have

I love you more than I can say.

Let me love you tonight

And I'll make you feel alright

I know in my heart I want to be with you

Oh, baby, let me love you tonight

And I'll make you feel alright

In a million years I won't be over you.

Let me love you tonight.

I know you don't want to

Be without my love

And if you're gonna kiss me

You know that you'll have to stay.

I'd give everything for you  
To make you want to stay  
I'll give everything I have  
I love you more than I can say.  
Let me love you tonight  
And I'll make you feel alright  
I know in my heart I want to be with you  
Oh, baby, let me love you tonight  
And I'll make you feel alright  
In a million years I won't be over you.  
Let me love you tonight ... Let me love you tonight.  
In the light I see your face  
But only in my dreams  
Let me be the one to hold your hand  
And make you understand.  
Ooooh, let me love you.  
I want to make you feel alright.  
Yes I know in my heart I want to be with you.  
Oh baby let me love you  
Let me love you tonight  
And I'll make you feel alright  
I know in my heart I want to be with you  
Let me love you tonight  
And I'll make you feel alright  
In a million years I won't be over you.

Let me love you tonight ... Let me love you tonight
