I can't understand  
What I do wrong half the time  
My judgment is blurred  
From this last year of defeat

I never once acted like  
This before I met you  
Now I'm a simplified sensation  
I'm nothing, a laughingstock to some

I'm sorry for my vicious  
Decline into this bedlam  
You see before your eyes  
You see before your eyes

I adhere to the progress of my  
Helpless desire to live  
My innards are freezing  
Inherently like winter rain

I never once acted like  
This before I met you  
Now I'm a simplified sensation  
I'm nothing, a laughingstock to some

I'm sorry for my vicious  
Decline into this bedlam  
You see before your eyes  
You see before your eyes

You see before your eyes  
Before your eyes

I'm over infectious regret  
I'm over infectious regret, regret

My innards are freezing  
Inherently like winter rain

I never once acted like  
This before I met you  
Now I'm a simplified sensation

I'm nothing, a laughingstock to some

You see before your eyes

You see before your eyes
