When did this all start anyway?  
We have all the time in the world to kil  
So lets converse over my imperfections  
You did it all the time  
Even when i was standing next to you  
Why should now be any different?  
You already shattered  
My self image  
With your self righteous  
Fist of disapprval  
I guess when i wasn't there  
I wasn't there period  
Was i  
No  
Trust is not an option with me anymore  
My secrets are my secrets  
Ive beenpushed into this state  
Of discomfort once before  
I cannot act like it doesnt't bother me  
My eyes strain  
Clearly enough for you  
To understand something  
You lack of compassion  
Will never allow you to see
