I need a miracle to conquer this endeavor
The imagery of song to portray the routine of life
Maybe I'm neurotic or just wrong in general
Maybe I should concede and put out the fire

Can you feel this uproar?
Festering desire in my thoughts
I can promise you one thing
I will haunt you till you die

Can you feel this uproar?
Festering desire in my thoughts
I can promise you one thing
I will hunt you till you die

In absence of your favor I would rather choose death
I'd prefer it would be executed only by you
No more legacy, fall short of understanding
Maybe I should concede and put out the fire

Can you feel this uproar?
Festering desire in my thoughts
I can promise you one thing
I will haunt you till you die

Can you feel this uproar?
Festering desire in my thoughts
I can promise you one thing
I will hunt you till you die

Till you die
Till you die

I want you to bleed me of my misery
Drained bled dry, hung up for all to see

Can you feel this uproar?
Festering desire in my thoughts
I can promise you one thing
I will haunt you till you die

Can you feel this uproar?

Festering desire in my thoughts
I can promise you one thing
I will hunt you till you die

Till you die
Till you die
Till you die

I will haunt you
I will hunt you
(Till you die)

I will haunt you
I will hunt you

I will haunt you
I will hunt you
(Till you die)

I will haunt you
I will hunt you
