you've always been a friend'o mine  
that's the way we'll be 'til the day I die  
yeah it's good to know you're on my side  
'cause now you know she's leavin' me  
and I need your help to make her see  
so turn on your charm and let it shine  
'cause you've always been the one  
who could make her stay around  
so when she gets to the city limits sign  
don't let me down

whoa, laredo  
don't let her go  
just take her by the heart and let the wheels turn slow  
whoa, laredo  
you're my only hope  
so get her back to the day we met  
'cause that's as far as she needs to get  
oh, but please don't let her go  
oooooh, laredo

make her think about the moonlit walks and the long,  
long talks  
by the water's edge  
with her feet hangin' off the cancreek bridge  
bring to mind the first kiss we shared at the old town  
square  
when she drives down there  
'cause that's the day she said she could never forget  
keep the nights by the candlelight as uh ace in the hole  
'cause those are nights of passion that I know will bring  
her home
