Dakota Bradley
"Somethin' Like Somethin'"

I can't explain
what goes on in my brain
but its beautiful and scary baby
I, I don't know why
I cant quite define
how my heartbeats when I'm with you

chorus
But its somethin' like summer
and somethin' like Saturday night
somethin' like gettin' drunk for the first very time
free fall cannon ball into the river no clothes at all
somethin' like sunshine hearing my name on your lips
like a song and it goes a little somethin' like this
WHOA
I don't know what it is for sure
but theres somethin' like somethin'
feels nothin' like nothing' before

I would be a millionaire
if I could sell the air
that I walk on when I'm near you, baby
I wouldn't save a dime
I'd spend it all on time
everyday the rest of my life

But its somethin' like summer

and somethin' like Saturday night
somethin' like gettin' drunk for the first very time
free fall cannon ball into the river no clothes at all
somethin' like sunshine hearing my name on your lips
like a song and it goes a little somethin' like this
WHOA
I don't know what it is for sure
but theres somethin' like somethin'
feels nothin' like nothing' before

we can put a label on it
not sure what we would call it
but it feels so good

its somethin' like summer
its somethin' like Saturday night
somethin' like gettin' drunk for the first very time
free fall cannon ball into the river no clothes at all
somethin' like sunshine, hearing my name on your lips
like a song and it goes a little somethin' like this
WHOA
I don't know what it is for sure
but theres somethin' like somethin'
feels nothin' like nothing' before
like nothin' before

its nothin' like nothing' before
feels nothin' like nothing' before
nothin' like nothing' before
