once upon a year gone by  
she saw herself give in  
every time she closed her eyes  
she saw what could have been  
well nothing hurts and nothing bleeds  
when covers tucked in tight  
funny when the bottom drops  
how she forgets to fight... to fight

and it's one more day in paradise  
one more day in paradise

as darkness quickly steals the light  
that shined within her eyes  
she slowly swallows all her fear  
and soothes her mind with lies  
well all she wants and all she needs  
are reasons to survive  
a day in which the sun will take  
her artificial light... her light

and it's one more day in paradise  
one more day in paradise  
it's one more day in paradise  
one last chance to feel alright... alright

don't pretend to hold it in just let it out  
don't pretend to hold it in just push it out  
don't you try to hold it in just let it out and  
don't you try to hold it in you hold it in

[chorus]
