#### Prolog

You might recognize this song as performed by Jefferson Airplane about the Rolling Stones and their nightmare at Altimont.

That night the Oakland Chapter of the Hell's Angeles had their way.

Tonight...It's my turn!

When the truth is called to be lies

And all the joy within you dies

Don't you want somebody to love

Don't you need somebody to love

Wouldn't you love somebody to love

You better find somebody to love

Don't take no for an answer

When the garden flowers, They are dead, yes

And your mind, your mind, Is so full of dread, yeah

Don't you want somebody to love

Don't you need somebody to love

I'd really like somebody to love

But it's hard to find somebody to love

Your eyes, I say your eyes may look asleep

Yeah, but in your head baby I'm afraid you don't know where it is

Don't you want somebody to love

Don't don't don't don't you need somebody to love

Wouldn't you love somebody to love

You better find somebody to love

Don't take the green acid,

That's for the base player

Sh D-dow Sh D-dow...

Ha ha ha!

Yeeaaaaahhh!

Tears are running, they're running down your breast,

And your friends baby they treat you like a guest, yeah

Don't you want somebody to love

Don't you need somebody to love

I would really like somebody to love

But it's hard to find somebody to love

We just had a baby born in the left side of the party,

Ladies and Gentlemen,

We need an ambulance near the scaffolding!

Oh, my little baby,

Hey get off the stage, get off the stage man!

Allright! Unless you have a pass, you are an audience member,

You do not have access to this area.

Wow! That guy just got stabbed,

Do you see that?

I think we're gettin' a little outta hand here

Wow! Who hired the security on this gig, man?

They are a motorcycle gang!

C'mon
