1:

When I wake to find, that I am not alone
This faith in itself. Well I guess its best, we leave it
unsaid for now

Take this life. And make it your own
For what you never know. The things we take for
granted are the things that turn to stone

CHORUS:

She wants for herself, the things she never had
And now she donâ€™t feel so glad, about the things
she never had.

Even so times do change, uh huh. Sheâ€™ll be mine.

2:

Take this life, and make it your own.

If the cure was in me. Iâ€™d find a way Iâ€™d bottle it.

Sell it to the world, for free

If I could reach the sky, and try to makes things change

Itâ€™s there inside of me, itâ€™s there inside of you.

Find the way, Oh Uh Huh.
