Somewhere over the rainbow, way up high

In the land that I heard of once, once in a lullaby.

Somewhere over the rainbow, skies are blue

And the dreams that you dare to dream really do come true.

Someday I'll wish upon a star

And wake up where the clouds are far behind me.

Where troubles melt like lemon drops

Away above the chimney tops

That's where you'll find me.

instrumental

Someday I'll wish upon a star

And wake up where the clouds are far behind me.

Where troubles melt like lemon drops

Away above the chimney tops

That's where you'll find me.

Somewhere over the rainbow, skies are blue

And the dreams that you dare to dream really do come true.

If happy little blue birds fly

Above the rainbow why, oh why can't I
