40, I talk that shit
Huh, hey yo, these... ain't cheesy
They think they little weezy,
They buy a cd and meet and think they...
Don't understand so I make them stand beneath me
Baby I'm the shit, tell her wake up smell the feces
Got women straight freaky, that demonstrate weekly
A ninja never lie to tell you pimping ain't easy
There's chicken... give me... briefly
But she ain't talking wi fi, she said she need in 3g
But I don't really... cause I'm a different dude
I would give but go against...
This real nigger news, you won't hear no interviews
You can have... feeling still couldn't fill the shoes
But speaking of shoes, I left the special housing unit
It's called the shoe... and you don't have the knowledge
to it
... show you how to do it
Then hit the store, go to war and do the proud of stupid
Stupid, you ain't know I'm that great
That back in pre school a ninja used to stash cake
I sold flintstones, vitamins, to class mates
Now I got the pills like a pharmacy in... states

... and really living off the perks...
Ninjas can't stop him, was really the problem
... a nigga... got the biggest chain in Harlem
... 4, 5, from... you don't know how scheme rides
You just know the old rhymes
Chilling like a villain if a villain could chill
Like me, I see, did it just for the thrill
... how silly you feel
Trying to brag about waiting, billy flipping a crib
Ewww, you leaking is garbage
I'm the illest, not the hardest, you can see how I'm...
Don't think that we... get done dirty, like your girl's
knees on my carpet
... New Jersey I'm retarded, your flow...
Ninjas think they shitting on who
They barely farted
I make your heart skip, highway car flip...
The realest niggas you see, the dudes you call big

homie
Little niggas to me
... but the reality, you're still a little niggas to me
... while some of my elders are little niggas to me
You still little niggas to me

Old school,... all you hear in...
I am chill.
